

# ITAUBA WOOD PLAZA

## PAVER

STYLISH NATURAL WOOD PAVERS  
FOR ROOFTOP DESIGNS

### ✓ FEATURES & BENEFITS

- High-density Itauba wood
- Commercial grade and constructed from responsibly harvested hardwoods
- Itauba wood tiles weather over time, developing a silvery-gray patina
- If maintaining the wood color is desired, wood tiles can be periodically cleaned and sealed
- Strong, durable and resistant to decay and insects
- Depending on climatic conditions, will develop an aged patina
- Factory-sealed with wax on ends to prevent splitting
